

Trust E-Z-Code® products to identify, secure, and alert!

Perfect for the following applications:

- Industrial Construction
- In-Plant Operations
- Telecommunications
- Computer Installations
- Power Facilities
- Transportation
- Panel Equipment

Wherever electrical and electronic components and systems are used to connect, fasten, insulate, and identify wire and conduits, you'll find a Thomas & Betts quality product performing to industry-wide standards of excellence. For more than 100 years, Thomas & Betts has developed the products you need, with the quality you demand and at the right price.

E-Z-Code® Identification Products are marketed nationally through an exclusive network of authorized stocking distributors, where emphasis is placed on customer service, experience, and product knowledge. Staffed by trained professionals with a background in federal, state, and local codes and regulations, your local T&B distributor can provide you with quotation service, up-to-date pricing, shipping costs, and competitive product line evaluations when needed.

Automated Wire Markers & Accessories

The new E-Z-Code® EZL-100 Wire Marker Printer is one of the most innovative portable wire marker printers in the industry. It's a simple, easy-to-use, and reliable tool that'll have you marking wires almost as soon as you pull it from the box. E-Z-Code® Labeling Software is a full-featured labeling system for creating custom labels tailored to your cabling and wire marking needs.

Overview

Wire Marker Book, Cards and Labels

Pocket pack wire marker books are easy to carry and easy to use. Wire marking is simple, clean, and fast... just pull tape out, tear and wrap. The compact size fits in your pocket!

Lockout/Tagout

E-Z-Code offers an inclusive product line to supply the general requirements of the OSHA Lockout/Tagout standard. From comprehensive training videos to circuit breaker locking devices, E-Z-Code Lockout/Tagout products help ensure that general industry workers will be protected from accidents during maintenance and servicing of equipment.

Identification Tapes

Bright colors are not the only advantages of these Barricade and Burial Tapes. T&B's attention-getting tapes are also inexpensive and easy to handle. Protect-A-Line tape is ideal for marking hazardous or off-limit barricade areas. A large assortment of Buried Utility Tape and Foil-Backed Detectable Buried Utility Tapes help prevent potential accidents during excavations and underground installations.

Electrical Hazard Safety Signs

T&B provides a large assortment of necessary Electrical Hazard Safety Signs to complete your construction and maintenance projects. Choose from either aluminum, plastic, or self-sticking material to suit your environments. Or create your own sign to your specifications by ordering from our Order Form on page 37.
