Barricade Tape

- Inexpensive and easy to handle
- Convenient and reusable
- For indoor and outdoor use

Buried Utility Tape

- Protect against costly utility dig-ins
- Place 1 to 1-1/2 feet below the ground surface directly above pipeline or cable below
- Bright, fade-resistant colors warn equipment operators that a vital pipeline or cable is buried below, before damage occurs
- Black text on a bright background

Buried Utility Tape

- Features a metallic backing designed to be detectable under normal earthen surfaces up to 18 in. with common metal detectors
- Simple and fast method for relocating lines, cables and conduit for future renovation
- Black text on a bright background

NOTE: All barricade and utility tapes are 4 MIL polyethylene and are not self sticking. All legends are printed in black. Standard package is 1 roll/1,000 ft.
