

Customized Orders

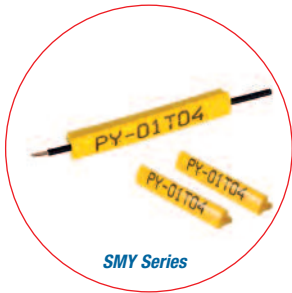

T&B Express Multi-Character Marking

Multi-character markings allows you to order markers already printed with the combinations of characters required, in accordance with customers specifications, direct from T&B with a 5 to 10 days delivery for orders under 10,000 markers. The information is transferred via e-mail in an Excel format. Purchase order is matched with the Excel file and is sent to Customer Service. We even offer heat shrink markers.

Please consult your Regional Sales Office for a quote.
