

PF Label Material

- Label material for cables, wires, cabinets and components.
- For holder systems PTPLUS, PTZPLUS, PM and PS.
- Easy to separate in rigid polyester foil, specially pre-processed for printing.
- Halogen free.
- Print-out by matrix or laser printer (HP2100/2200).
- Fast, convenient marking on site with WSG-NG-EXCL software WinSign for Windows.
- A low cost 2-component solution for marking before and after connection of wires and cables

Specifications

Design

The PF- is a perforated sheet material with tractor feed. Individual labels are detachable or picked in any order to facilitate mounting and overview. This enables simplified sheet feeding through a laser printer. Special top coating means the possibility of multiple laser printer feedings of same sheet. The PF marking labels are intended to be mounted in PTPLUS, PTZPLUS, PTC, PM or PS holders to enable wire, cable and component marking.

Material

Polyester foil, specially pre-processed for printing.

Colors

Sheet with white on one side and yellow on the other side.

Print / Text

Printed with WSG-NG-EXCL software WinSign and by recommended laser printer (HP2100/HP2200). Windows full font is available with WinSign for your own choice of readability, number of characters and lines required.

Printing Equipment

Industrial matrix printer for PF labels. Laser printer with straight feed of sheets for PF marker labels. Printout software Partex WinSign.

Temperature Range

From -30°C to +120°C (-22°F to +248°F)

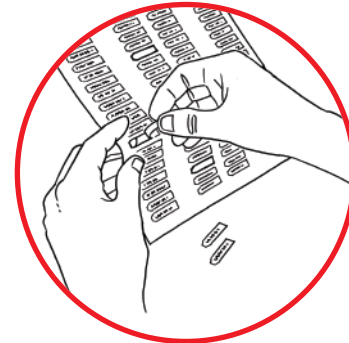

N.B.: Withstands laser printing.

Durability

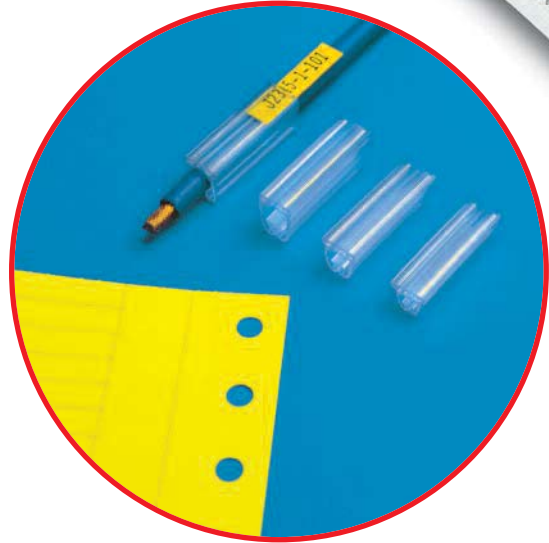

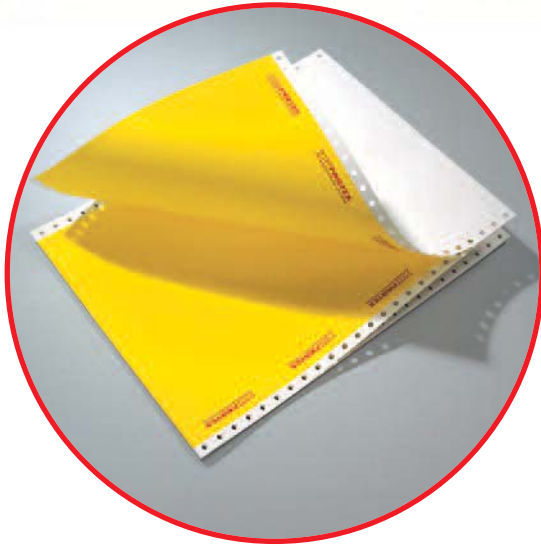

Withstands most solvents.

For application in hostile environments, please contact T&B for informaton.

For label holder systems see separeae product data sheets!

Application

Dimensions in mm (nominal)

Article Number	Height (H)	Length (L)
PF-10015KT49	4.6	15.0
PF-10021KT49		21.0
PF-20018KT49	9.5	17.5
PF-07533KT49	7.6 – 7.8	33.0

Size and Packaging

Article Number	Number of labels per sheet	Number of Sheets per pack	Number of labels per pack	Color	Sheet format
PF-10015KT49	66 x 12	10	7920	Yellow / White	A4 width, 12 in. length
PF-10021KT49	66 x 9		5940		
PF-20018KT49	32 x 11		3520		
PF-07533KT49	25 x 4		1000	White	

PF-Tractor feed sheets for matrix printer are colored yellow on one side and white on the other and printable on both sides and only applicable for PF10 OCH PF-20.
Order 1 = 10 sheets
